

## Sudocrem Care & Protect

Sudocrem Care & Protect helps to **care** and **protect** your baby's delicate skin from the causes of nappy rash. It's gentle and effective enough to use every day, at each nappy change. And because it's been developed specifically for your baby, **it's hypoallergenic** and the ingredients we've used are all designed to do just one job: **care and protect against nappy rash.**

Prevents

## Sudocrem Antiseptic Healing Cream

Sudocrem Antiseptic Healing Cream is the nations favourite nappy rash cream\*. It's licensed to **treat** your babies nappy rash and is also versatile enough to be used by the whole family on other skin conditions such as **eczema, sun burn, cuts & grazes** and **minor burns.**

Treats

\*Based on IRI HBA outlets, skin, unit sales, 12 w/e August 2016
